## Senior Subsidized Housing Resource List

Phone: 425-513-1900  
Toll Free: 1-800-422-2024

The following housing list includes apartment buildings that provide subsidized rent for some or all apartments in the building. Buildings listed rent to persons 62+ and, in some cases, to individuals under 62 with a disability. Rent for subsidized units is approximately 1/3 of monthly income. Rent for non-subsidized units is a fixed rate.

Most buildings offer either HUD or USDA/RD subsidies and income must be below annual guidelines to be considered for a rental unit. Income guidelines are subject to change. **Please contact buildings directly for current information and/or to request an application. Many buildings have waiting lists and some may stop accepting applications for a period.**

Information about additional housing options may be available through the following agencies:
