Greetings!

This month we celebrate Older American's Month, with the theme "Age Out Loud" to give a new voice to aging and redefining what it means to age in America. Senior Services recently changed our name to reflect this concept! Homage pays respect to those who have served and continue to serve to make our communities great. Now more than ever Older Americans are staying in the workforce longer, advocating and volunteering at an older age, and striving for wellness, independence, and a better quality of life. Our Promise, - (well-being as we age) is supported through the 28 difference programs and services we provide at Homage Senior Services with the help and dedication of over 375 volunteers. Thank you for being a shining example of what it means to age with dignity and be a participant in your community!

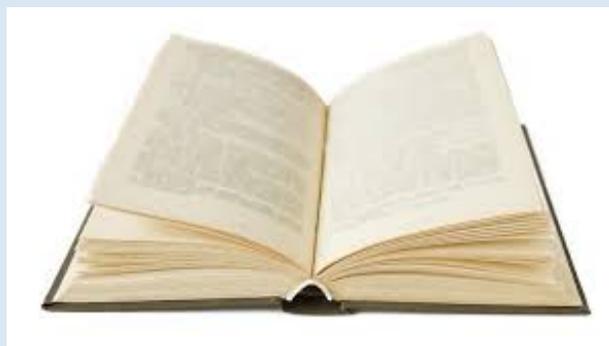

Thank you and Best Wishes,
Nicole Warren

Ways We Are Appreciating Volunteers this Month!

Thank you to everyone who attended our Volunteer Celebration in April! We enjoyed yummy food and viewed some great art pieces in the gallery at the Shack Art Center.

As another THANK YOU, please download a free copy of the e-book *By The People: A History of Americans as Volunteers* By Susan J. Ellis and Katherine H. Campbell.

By The People provides an in depth look at how volunteerism has changed and evolved American History the past three centuries. The book highlights a variety of volunteers' roles and their importance in all aspects of our society as well. Enjoy!
